

Mark McFadden

Mark McFadden
Managing Member
Onyx Equities Group

Mark McFadden is Managing Member of Onyx Equities Group LLC. The vision for forming Onyx Equities Group came from a zest of helping the community better position itself for generational wealth thru collaboration and education. Mr. McFadden is an engineer with entrepreneurial spirits. Always seeking to solve problems with solutions he has taken that mantra to start-up and proficiently run 5 companies.

An Alumnus of Howard University School of Engineering, Mr. McFadden has honed his skills first in the dot.com arena, then for over 10 years with Citigroup in the financial arena before spending the last 15+ years in the DOD/INTEL arena as a government contractor.

Mr. McFadden is Owner/Broker of McFadden and Associates Real Estate Services, LLC a full service real estate brokerage, McTech, Inc. a defense contracting Information Technology Company, SMCF, LLC a property management company and CBMA, LLC a private equity holding company, private money lender and investment company.

In his free time Mr. McFadden enjoys spending time with his family, sports of all kinds, traveling, mentoring, and exploring life. He is a member of many social organizations and enjoys genuinely helping others.
